

# SHREWSBURY FOLK FESTIVAL route finder

If you are approaching the town from the M54 motorway you should take the route described on the **M54 Route Finder Map**.

If you are heading for the town centre and find yourself crossing the ENGLISH bridge from the B4380 you should take the route along Town Walls (the middle road at the first set of traffic lights), past St Chad's Church, down Claremont Bank crossing into SMITHFIELD ROAD. Now turn left into Chester Street, along COTON HILL, first left into Berwick Road and first left again into Gravel Hill Lane. If you approach the town along the A458, B4386 or the A488 you will cross the WELSH bridge, turn left into SMITHFIELD ROAD then take the route already given.

If you approach the town from the north on the A528 or A5191 the route is fairly obvious. The AA will be providing signage and all of the permanent signs direct you to **The Agricultural Showground**.
